

REMARKS

The Examiner is thanked for the final action of April 3, 2006. This amendment is intended to be fully responsive thereto.

The Title was amended commensurate with the claims.

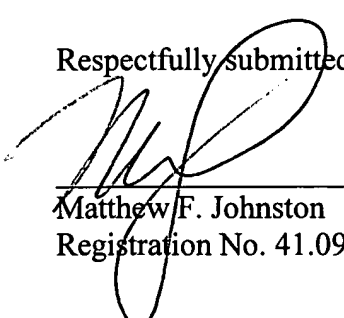

Claim 13, and consequently claims 14-23 were rejected under 35 U.S.C. 112 second paragraph for containing indefinite language. Claim 1 has been amended in accordance with the Examiners comments and suggestions. No new matter has been added.

Claims 13-23 were indicated as being allowable if re-written to overcome the rejection of claim 13 under 35 U.S.C. 112. Claim 13 has so been amended and is now believed to be in condition for allowance.

Claim 24 was rejected under 35 U.S.C. 102 as being anticipated by Marancik '750. Claim 24 has been canceled rendering this rejection moot.

Claims 13-24 are now believed to be in condition for allowance and notice to that effect is earnestly solicited. Should the PTO believe that further discussion would advance prosecution of this matter, please contact the undersigned.

Respectfully submitted,
